

UTILITY SWITCHING

The smarter way to handle your home setup.

Move effortlessly with Tili. We've automated your energy, water, and council tax setups, ensuring your new home is ready the moment you get the keys.

GET ALL UTILITIES SET UP IN LESS THAN 30 MINUTES.

-  **Energy on your terms.** Enjoy priority setup with our partner, OVO Energy, while having the freedom to switch to any supplier at any time.
-  **Automated Council & Water.** We notify your local authorities and water suppliers for you, ensuring accurate billing from day one.
-  **Broadband & Media.** Access exclusive tenant-only offers to get your home connected to high-speed internet faster and for less.

OVO: PURPOSE-LED POWER

Since 2009, OVO has powered 4 million UK homes with a mission centered on sustainability and clarity.

-  Competitive and affordable tariffs
-  Free app to track your usage
-  A team of experts on hand to help you
-  Path to Zero: helping you reduce both your energy bills and carbon footprint

GET SET UP IN IN A FEW CLICKS

How it works:

- 1 Check your inbox.** Look for your Tili invitation email as soon as you have signed your tenancy agreement.
- 2 Confirm your details.** Follow the secure link to select your energy options and provide your move-in information.
- 3 Automatic Activation.** Once your agreement is countersigned, we trigger the notifications. Your utilities will be ready and waiting for you on move-in day.
